“(9) Coverage of Certain Breast Cancer Screening and Diagnostic Imaging for Certain Individuals.—Notwithstanding the previous provisions of this section, a State may not provide for medical assistance through enrollment of an individual with benchmark coverage or benchmark-equivalent coverage under this section unless such coverage includes medical assistance, with respect to an individual described in clause (i) or (ii) of section...
11905(a)(4)(G), for screening and diagnostic imaging and other technologies described in such clause (i) or (ii), respectively.”.

(4) EFFECTIVE DATE.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the amendments made by this subsection shall take effect on January 1, 2024.

(B) DELAY PERMITTED IF STATE LEGISLATION REQUIRED.—In the case of a State plan approved under title XIX of the Social Security Act which the Secretary of Health and Human Services determines requires State legislation (other than legislation appropriating funds) in order for the plan to meet the additional requirements imposed by this section, the State plan shall not be regarded as failing to comply with the requirements of such title solely on the basis of the failure of the plan to meet such additional requirements before the first day of the first calendar quarter beginning after the close of the first regular session of the State legislature that ends after the 1-year period beginning with the date of the enactment of this section.

For purposes of the preceding sentence, in the
case of a State that has a 2-year legislative ses-
session, each year of the session is deemed to be
a separate regular session of the State legisla-
ture.

(d) Coverage and Elimination of Cost-Sharing
Under TRICARE.—

(1) Coverage.—Title 10, United States Code,
is amended—

(A) in section 1074d(a), by adding at the
end the following new paragraph:

“(3) Any member or former member of the uniformed
services who is entitled to medical care under section 1074
or 1074a of this title and is an individual described in
subparagraph (B) of section 1079(a)(20) of this title shall
also be entitled to the items and services described in sub-
paragraph (A) of such section (subject to the same limita-
tions specified in such subparagraph), as part of such
medical care.”; and

(B) in section 1079(a), by adding at the
end the following new paragraph:

“(20)(A) Screening and diagnostic imaging
(with no limitation applied on frequency) for the de-
tection of breast cancer, including 2D or 3D mam-
mograms, breast ultrasounds, breast magnetic reso-
nance imaging, or other technologies (as determined
in accordance with the most recent applicable criteria or guidelines described in subparagraph (B)),
shall be provided if the patient is an individual described in subparagraph (B).

“(B) An individual described in this subparagraph is—

“(i) an individual who is at increased risk of breast cancer (as determined in accordance with the most recent applicable American College of Radiology Appropriateness Criteria or the most recent applicable guidelines of the National Comprehensive Cancer Network) or with heterogeneously or extremely dense breast tissue (as defined by the Breast Imaging Reporting and Data System established by the American College of Radiology); or

“(ii) an individual who is not described in clause (i) and who is determined by a health care provider (in accordance with such most recent applicable criteria or guidelines) to require screening or diagnostic breast imaging by reason of factors including age, race, ethnicity, or personal or family medical history.”.

(2) ELIMINATION OF COST-SHARING.—Such title is further amended—
(A) in section 1075a, by adding at the end the following new subsection:

“(d) Elimination of Cost-Sharing for Certain Breast Cancer-Related Items and Services.—Notwithstanding any other provision under this section, cost-sharing may not be imposed or collected with respect to any beneficiary enrolled in TRICARE Prime for any item or service described in subparagraph (A) of section 1079(a)(20) of this title provided under TRICARE Prime, in accordance with the limitations specified in such subparagraph, if the beneficiary is an individual described in subparagraph (B) of such section.”;

(B) in section 1075(c), by adding at the end the following new paragraph:

“(4) Notwithstanding any other provision under this section, cost-sharing may not be imposed or collected with respect to any beneficiary enrolled in TRICARE Select for any item or service described in subparagraph (A) of section 1079(a)(20) of this title provided under TRICARE Select, in accordance with the limitations specified in such subparagraph, if the beneficiary is an individual described in subparagraph (B) of such section.”; and

(C) in section 1086(d)(3)—
(i) by redesignating subparagraph (C) as subparagraph (D); and
(ii) by inserting after subparagraph (B) the following new subparagraph:

“(C) Notwithstanding any other provision under this section, cost-sharing may not be imposed or collected under subsection (a) with respect to any individual described in subparagraph (B) of section 1079(a)(20) of this title for an item or service described in subparagraph (A) of such section and provided in accordance with the limitations specified in such subparagraph.”.

(3) EFFECTIVE DATE.—The amendments made by this subsection shall take effect on January 1, 2024.

(e) COVERAGE AND ELIMINATION OF COST-SHARING WITH RESPECT TO VETERANS.—

(1) COVERAGE AND ELIMINATION OF COST-SHARING.—Chapter 17 of title 38, United States Code, is amended by inserting after section 1720J the following new section (and conforming the table of sections at the beginning of such chapter accordingly):

“§1720K. Breast screenings for certain individuals at increased risk for breast cancer

“(a) COVERAGE OF ITEMS AND SERVICES.—
“(1) COVERAGE.—The Secretary shall furnish to a veteran described in paragraph (2) screening and diagnostic imaging (with no limitation applied on frequency) for the detection of breast cancer, including 2D or 3D mammograms, breast ultrasounds, breast magnetic resonance imaging, or other technologies (as determined in accordance with the most recent applicable criteria or guidelines described in such paragraph) pursuant to this section.

“(2) ELIGIBILITY.—A veteran described in this subparagraph is—

“(A) a veteran who is at increased risk of breast cancer (as determined in accordance with the most recent applicable American College of Radiology Appropriateness Criteria or the most recent applicable guidelines of the National Comprehensive Cancer Network) or with heterogeneously or extremely dense breast tissue (as defined by the Breast Imaging Reporting and Data System established by the American College of Radiology), without regard to whether the veteran is enrolled in the system of annual patient enrollment established under section 1705(a) of this title; or
“(B) a veteran who is not described in sub-
paragraph (A) and who is determined by a
health care provider (in accordance with such
most recent applicable criteria or guidelines) to
require screening or diagnostic breast imaging
by reason of factors including age, race, eth-
nicity, or personal or family medical history,
without regard to whether the veteran is en-
rolled in the system of annual patient enroll-
ment established under section 1705(a) of this
title.

“(b) Prohibition on Cost-Sharing.—Notwith-
standing subsections (f) and (g) of section 1710 and sec-
tion 1722A of this title, the Secretary may not require
any veteran described in paragraph (2) of subsection (a)
to make any copayment for, or charge the veteran for any
other cost of, the receipt of any item or service furnished
pursuant to paragraph (1) of such subsection.”.

(2) Effective date.—The amendments made
by this subsection shall take effect on January 1,
2024.
